

ASSOCIATE IN SCIENCE IN AGRICULTURE BUSINESS FOR TRANSFER (AS-T)

Students completing the Associate in Science in Agriculture Business for Transfer will be able to seamlessly transfer in the CSU system to pursue a baccalaureate degree in Agricultural Business. Students completing this degree will have an introductory foundation for the field of Agriculture Business through the study of economics, accounting and sales. Students will acquire skills and abilities in agriculture economics, use of agriculture accounting software, sales and marketing of products, management and computer skills. This degree is specifically intended to facilitate a seamless transfer to the CSU system, but it also provides the preparation necessary for immediate employment in retail sales, crop management, bookkeeping, and entry-level finance.

Program Outcomes

- Students will be able to use economic principles to analyze financial data to optimize production in an agricultural business.
- Students will be able to demonstrate proficiency in public relations and business communications.

Transfer & Career Opportunities

Agriculture Business for Transfer (AS-T) Degree is intended to meet the lower division requirements for agriculture business for all CSU campuses that offer a similar degree. Students planning to transfer to institutions other than the CSU are encouraged to consult ASSIST.org (<http://www.assist.org>) and a COS counselor for program planning and course selection. Upon completion of this Associate in Science in Agriculture Business for Transfer (AS-T) Degree students will be prepared for employment in retail sales, assistant crop managers, entry-level finance and bookkeeping. Most common career opportunities with a baccalaureate degree include: sales representatives, marketing, farm managers and accountants.
