EMT 251 Emergency Medical Technician B

6unit(s)

Hours: 4 Lecture/Discussion Hours:

6 Lab

The student who completes this course will develop skills in recognition of symptoms of illness and/or injury and proper procedures for emergency care. Those who complete the EMT B courses are eligible to sit for the National Registry of Emergency Medical Technicians and employment by government and private emergency health care services in the area (state certification and national testing fees apply). Successful completion of the course also allows eligibility for Emergency Medical Technician Paramedic training, which provides opportunity for career advancement, higher pay, and greater responsibility in providing emergency health care. Some EMTs enter nursing and other advanced health care fields. (California Code of Regulations Title 22).

Corequisites: EMT 401 must be taken concurrently.

Limitation on Enrollment: CPR training equivalent to the current American Heart Association's Guidelines for Cardiopulmonary Resuscitation and Emergency Cardiovascular Care at the health care provider level must be completed prior to enrollment in the course.

EMT 401 EMT Open Skills Lab

0unit(s)

Hours: 3 Lab

This course provides the student an opportunity for additional directed learning and supervised laboratory time to practice, develop and refine skills necessary to the safe practice of the Emergency Medical Technician.

Corequisites: EMT 251 must be taken concurrently.
