

# ASSOCIATE IN ARTS IN CHILD & ADOLESCENT DEVELOPMENT FOR TRANSFER (AA-T)

Students completing the Associate in Arts in Child and Adolescent Development for Transfer will be able to seamlessly transfer into the CSU system to pursue a baccalaureate degree in Child and Adolescent Development. Students completing this degree will have an introductory foundation for the field of Child and Adolescent Development through the study of the theories and principles of child and adolescent development, psychology, typical and atypical development, research methods, statistics, the role of family, community, society and culture on development. Students will acquire skills and abilities in their understanding of the major theories and principles of child and adolescent development and how to apply this knowledge to their personal and professional goals.

## Program Outcomes

- Demonstrate comprehension of the major concepts, theoretical perspectives, empirical findings, historical and contemporary trends in child and adolescent development.
- Critically analyze how the theories and basic principles apply to their personal lives and contemporary social issues.

## Transfer & Career Opportunities

This Associate in Arts in Child and Adolescent Development for Transfer (AA-T) Degree is intended to meet the lower division requirements for Child and Adolescent Development and related majors for all CSU campuses. Students planning to transfer to institutions other than the CSU are encouraged to consult ASSIST.org and a COS counselor for program planning and course selection. Course requirements vary between colleges and universities and students are encouraged to consult ASSIST.org and a COS counselor for program planning and course selection. Most common career opportunities with a baccalaureate degree include: elementary and secondary educator, social worker, counselor, child-care worker, parent educator, community service provider, child and youth advocate, after-school program staff, researcher, and program administrator.
