HLTH 405 Rehabilitation Aide

0unit(s)

Hours: 4.4 Lab

This certification course will introduce and discuss the profession of physical and occupational therapy. It will begin with the origins of therapy, continue through the different roles required for therapy, then review the material that is required for the student to perform as a rehabilitation/physical therapy aide. Students will review a chapter electronically at their own pace, along with performing weekly quizzes, activities and group work to help learn the material. Two Saturday lab sessions will be scheduled to complete the skill competency checks at the College of the Sequoias.

HLTH 406 CPR for Health Care Providers
