ASSOCIATE OF SCIENCE IN PARAMEDICINE (AS)

The Paramedic program is designed to prepare the student for licensure as a Paramedic. It is an intense, full-time program consisting of lectures, skills lab, clinical practice, and field internship. Students must possess a current CPR-Health Care Provider Card and are also recommended to have a current EMT license and six-months of recent work experience.

Paramedic Program Admission Requirements

- · Cumulative GPA of 2.5 or higher
- 2.5 or higher GPA on combined paramedic prerequisites:
 - EMT 251 Emergency Medical Technician (EMT) 6 semester units including a lab component;
 - EMT 401 EMT Open Skills Lab 4 semester units including a lab component.
- A minimum grade of "C" in all prerequisite courses is required. Be advised that a "C" in all prerequisites courses does not meet the 2.5 minimum GPA requirements. Students are ranked for admission based on grades in Human Anatomy and Human Physiology.
- No more than two repetitions of any EMT course is allowed. "W" counts as a repeat.
- · Current NREMT or Local EMS Authority EMT Certification
- Current American Heart Association (AHA) BLS Healthcare Provider CPR Card.
- · Completion of Paramedic Program Application submitted by deadline
- Completion of the Paramedic Program written entrance exam by the application deadline
- Strongly recommend six months of full-time verified work experience as an EMT on an emergency response vehicle, such as a fire engine or private ambulance

Program Outcomes

- Demonstrate entry-level skills for a variety of roles at the entry-level as a Paramedic.
- · Demonstrate sufficient preparation to pass the NREMT-P.
- Apply skills in didactic, psycho-motor, and affective domains needed to perform the duties as a Paramedic in the community.
- Complete the Paramedic National Registry of Emergency Medical Technicians Advanced Level Paramedic Exam preparation.
- Demonstrate competent intellectual, hands-on, and professional skills to provide Emergency Medical Technician-Paramedic level services.
- Adhere to professional behaviors set by the Paramedic Program Code of Ethics.
- · Demonstrate patient safety at all times.
- · Achieve a successful transition to employment as a Paramedic.

Career Opportunities

Upon successful completion of this degree, students will be prepared for careers or employment in the following positions: Emergency Medical Services Paramedic, emergency room technicians, medical offices, fire departments, entertainment, and large venue services.

Note

TOTAL

This degree is not designed for transfer; however, the courses included in this degree may be transferable and apply to other degrees designed for transfer
