PHYSICAL SCIENCE (PSCI)

PSCI 020 Physical Science **4unit(s)**
Hours: 3 Lecture/Discussion Hours:
3 Lab

A laboratory course in physical science designed to meet the laboratory science requirement for transfer students who are not science majors. Topics include concepts, theories and principles of physics, chemistry, astronomy and earth science. The course provides opportunities for students to learn reasoning skills and a new way of thinking about their environment. Course will present applications of concepts and theories to topics of current interest.
