

EDUCATION AND LANGUAGES

The curriculum in the Education and Languages pathway includes studies in child development, language learning, and cultural factors affecting education. Programs emphasize topics and skills in teaching and learning, child development, and language acquisition.

Most careers in this pathway will require a bachelor's degree or other credentials, with programs designed for students intending to transfer.

- Program Award definitions can be found on the Types of Degrees and Certificates (<https://catalog.cos.edu/areas-study/#summaryofdegreestext>) webpage.
- To sort/filter the table below, click the funnel icon under the column header.

Degree and Certificates
