

HEALTH SCIENCES

The curriculum in the Health Sciences pathway includes studies in health, fitness, wellness, and disease prevention. Programs emphasize topics and skills in health care, healthy living, work in medical settings, critical thinking, and patient care.

Most careers in this pathway can be entered on program completion, though some require advanced credentials and are designed for students intending to transfer.

- Program Award definitions can be found on the Types of Degrees and Certificates (<https://catalog.cos.edu/areas-study/#summaryofdegreestext>) webpage.
